HILLWORTH FARM MEATS

Firstly we have an employee of the month in this edition. Trainee butcher Mark Doe on the left at our Evesham shop. A mystery shopper went in on Saturday 19th September and wrote in his follow up report "The service experiences I enjoyed with the staff were first rate, with the most outstanding service being delivered at the meat counter". A big thank you to Mark for creating such a good impression.

Staffing has changed slightly, unfortunately Steve our van driver has left and we welcome Martin as his replacement, and Calvin on the right in the picture is now on the farm in the wholesale section

We are pleased to report that the shop at Clives Fruit Farm, Upton Upon Severn is doing very well

and building up a very good local trade.

It is national sausage week in November where we will have a wide range of sausages available in the shops. At Clives Fruit Farm there will be sausage tasting on Saturday and Sunday 7th and 8th November between 11.00am and 3.00pm.

Orders are now being taken for Christmas, we have the usual delicious Christmas meats on offer, from our very own free range turkeys or one of our ribs of beef that have been well hung or try one of our delicious hams that have been cured on the farm. We have ready made hampers available. Or why not create one of your own. Everything is listed on the website or

detailed in the shops, and all our members of staff are happy to help and advise you in any way.

Vegetable boxes for Christmas are also available to order at Clives Fruit Farm just ask a member of their staff for more details

Watch out for our new recipe of the month available in the shops or on-line. November will be a seasonal game choice.

NEWS FROM THE FARM

The lovely Autumn weather we have all been enjoying has made the planting of the corn and grass go very easily and has already started germinating.

Our rams have once again joined the ewes out in the fields where grass is in abundance, also being enjoyed by the rapidly growing calves.

Most importantly we are pleased to report that our turkeys are coming along just fine, and keeping us all very busy looking after them.
