HILLWORTH FARM MEATS

AT CLIVES FRUIT FARM UPTON UPON SEVERN

We are very pleased to announce that we opened at Clives Fruit Farm on the 30th May. The farm shop has been refitted to include a brand new butchery section where you can come in and be served by one of our friendly members of staff who will be only be to pleased to assist you. The butchery is closed on Mondays, but we have a well stocked pre-packed fridge available at all times.

You may have already been in and met out staff. We have Sarah in the mornings during the week, and Mark Stoyles in the

afternoons and weekends.

With the lovely weather we have been having there are special offers on BBQ Packs at both the Upton and Evesham shop.

We have just started to do some cooked meats and this is something that we would like to develop.

The animal in the middle of the picture is our new 12 month old bull.

The opening of the two shops within a short period of time has stretched us a little and we have struggled to achieve things both on the farm and in the butchery. With new staff on board we are now back to our usual high standard.

NEWS FROM THE FARM

Calving has just finished and we have lots of lovely calves in the field. We have just bought a pure Aberdeen Angus Bull named Drew for next years calving.

Shearing went well at the beginning of June, taking just a morning to do, much quicker than when Rob tried to do them all by himself. In a months time the combines start work on

the harvest.

Hillworth Farm is also hosting our last Moto-cross event of the year on the 2nd August. Please feel free to come along and spectate.
