GIFT VOUCHERS

AVAILABLE

HILLWORTH FARM MEATS

With the weather being as hot as it has been the BBQ packs at Clives have been flying off the counter and prove to be more popular each year. Opposite is a sample of one of our BBQ packs. Why not come along to Clives pick up a BBQ pack and some strawberries for a lovely summers evening meal.

We are hoping the weather will last for the Welland Steam Rally this year as we have a stall there again. We are hoping the BBQ packs and breakfast packs that we offer will go down well with the campers there. Come and visit us in the Farm-

ers Market tent 23rd to 25th July

The Tewkesbury Food Festival was once again a big success as was the first ever Alcester Food Fair which took place in April along the high

street. Sarah had sold out by early afternoon—well done Sarah.

Look out in Clives each week for our special offers which change every Wednesday.

NEWS FROM THE FARM

The last ewe lambed on 19th June rather later than all the others but none the less both lambs are doing well.

The last calve of this year was also born in June. We have one calve named Daisy by the children after she was abandoned by her mother.

Luckily after several days of hand feeding another cow took pity and is now looking after her along with her own calf.

Shearing again went well. This year finishing in record time—we must be getting better at it!

Although very early to be thinking of Christmas the day old turkeys arrive later this month.

Finally, Hellen celebrated her 40th birthday in June with a big bash at the farm, with our own catering staff doing a buffet and pig roast, a good time was had by all.
